Southern District of New York

New York, New York 10007

**Re: United States v. Jordan Meadow, No. 23 Cr. 313 (ALC)**

Dear Judge Carter:

On behalf of defendant Jordan Meadow in the above-referenced case, we respectfully request that the Court modify Mr. Meadow's bail conditions to permit him to visit his father in Ulster County, New York, on an ongoing basis. Unfortunately, Mr. Meadow's father has entered the later stages of treatment for an aggressive illness, and Mr. Meadow requests liberty to visit him on a regular basis to assist him when necessary and provide physical and emotional support. We have consulted with Pretrial Services and the Government, and they have no objection to this request for bail modification.

The application is **GRANTED**.

So Ordered.

Respectfully submitted,

Tai H. Park  
Counsel for Jordan Meadow
